Welcome Note

Dr. Zainul Aabideen

Dr. Layla Alreyami

Dear Colleagues,

We are delighted to invite you to the **7th Emirates Pediatric Hematology & Oncology Conference (EPHOC)**, scheduled to take place on **April 26–27, 2025**, at the Dusit Thani Hotel, Abu Dhabi, UAE. This conference has been meticulously designed to address the needs of General Pediatricians, Pediatric Sub specialists, Pediatric Trainees, Residents, Fellows, Family Physicians, General Practitioners, Emergency Medicine Physicians, Pediatric Hematologists, and Pediatrics Oncologists, with a primary focus on the diagnosis and management of common hematological and oncological conditions in children. Our goal is to foster meaningful discussions and share effective strategies to enhance care for young patients.

We are honored to host esteemed experts from the UAE and around the globe, who will contribute to creating a dynamic platform for interaction and the exchange of ideas, knowledge, and experiences. The conference aims to empower healthcare professionals with the latest insights, equipping them to Pediatric Sub specialists, Pediatric Trainees, Residents, Fellows, Family Physicians, General Practitioners, Emergency Medicine Physicians, the highest standard of care for children affected by cancer and blood disorders.

In addition to educational sessions, the conference offers a unique opportunity for networking, fostering future collaborations in both academic and clinical settings.

We encourage you to seize this chance to connect with peers, share expertise, and contribute to the advancement of pediatric healthcare. We extend our heartfelt gratitude for your active participation and firmly believe that this conference will be a memorable and rewarding educational experience for everyone involved.

We look forward to welcoming you and trust this will be a unique and enriching event.

Warm regards,

Dr. Zainul Aabideen

Delegates Feedback

95% Attended the event for scientific content

96% Described the conference as excellent

94% Rated the speakers as outstanding

92% Rated the conference very well organized

Why Delegates Attend 6th EPHOC

95% Keep up to date to the latest trend on haematology and oncology

97% of the delegates said that they will attend the conference again in 2025

94% Meet industry colleagues

93% Establish new contacts and collaborations

6th EPHOC Key Testimonials

The organization of the event was excellent, and the topics covered were of great importance. Sharing knowledge and advancements in treatment is exactly what we need in such meetings. I am grateful to have attended and enjoyed every moment of it.

Dr. Narjis Fouad Ghalab, Consultant Pediatric hematologist/oncologist, KSA

The 6th EPHOC proved to be a highly fruitful conference, and I would certainly encourage others to join!

Dr. Goh Jun Yan, MD, Malaysia

I found the conference to feature excellent topics and speakers, all organized very effectively. Thank you.

Dr. Ahmed Hisham Mohamed Abdulfattah, Senior Attending, Qatar

I wanted to express my sincere appreciation for the meticulous organization of the program; it was truly a memorable experience. Thank you for providing all the support, and congratulations once again on a job well done!

Dr. K G Gopakumar, Assistant Professor, Malabar Cancer Centre, Kannur, Kerala, India

The conference provided a great overall experience, and I look forward to attending again next year.

Dr. Sudheer Madathiparambil Sadanandan, Children's Hospital Los Angeles, United States

The scientific conference was rich in both scientific knowledge and practical standards. Highly commendable!

Dr. Dania Kawaf, Royal Care Medical Center, Syria

I must commend the organizers for their excellent coordination, from the pre-conference arrangements to the event itself. The selection of topics and speakers was impressive, covering a wide range of subjects in just two days. The availability of multiple tracks offered attendees various options, making the conference truly valuable.

Dr. Daniel Muyanja, Joint Clinical Research Centre, Uganda

I thoroughly enjoyed my stay from the moment I arrived in Abu Dhabi until my departure. I had the opportunity to network with many professionals, learned a great deal, and appreciated how MENA organized everything comprehensively.

Dr. Angidi Mauree, Fellow in Paediatric Oncology, Charlotte Maxeke Johannesburg Academic Hospital, South Africa

The scientific activity was exceptionally well organized, with eminent speakers from around the globe in attendance, making this conference incredibly valuable.

Dr. Naser Alzein, Consultant Pediatric Surgery at Danat al Emarat Hospital, United Arab Emirates

The conference was excellent.

Dr. Sarah Schober, Tuebingen, Germany

I invite everyone to participate in the next conference.

Dr. Khilola Rustamova, Hematology, Pediatric Oncology, Uzbekistan

The initiative was highly engaging, innovative, and up-to-date in pediatric oncology management, proving to be immensely beneficial.

Dr. Benish Hira, Registrar, Pediatric Oncology, CMH RWP, Pakistan

I learned a great deal from the experiences shared by everyone at the conference. I'm already looking forward to hopefully attending again next year.

Dr. Manar Maktoom Salim Al Mazrooei, Pediatric Hematology Specialist, Oman

Had the pleasure of attending this conference for the first time. It was a great experience, offering a comprehensive range of much-needed subjects. I look forward to attending again in the future.

Dr. Sakher Ahmad Daoud Obeidat, Pediatric Hematologist/Oncologist at ADSCC in the UAE

6th EPHOC Key Testimonials

I had a truly wonderful experience traveling from Kuwait to attend the conference. Thank you so much!

Shalet Susan Shaji, Clinical Educator, Kuwait

It was a truly enriching experience.

Dr. Aya Ashraf Ahmed, Pediatrics Hematology/Oncology specialist, Tawam Hospital, United Arab Emirates

It was truly enlightening to witness the remarkable doctors from around the world, each with extensive knowledge and clinical experience, sharing their exceptional work with us. They serve as exemplary models to emulate.

Ms. Jihad Fadel Elmarji Bakheit Elkhidir, Pediatrics General Practitioner at Kanad Hospital, UAE

Overall, this was an excellent experience. From the venue management to the selection of topics and speakers, as well as the accommodation and food arrangements, everything was fabulous. In fact, the topics in both the Pediatrics track and the Hematology Oncology track were so engaging that I often found myself rushing between two halls during sessions. I am already eagerly looking forward to the next conference."

Dr. Abdul Wahab Siddique, Fellow Pediatric Haem Oncology, Pakistan

It was a wonderful event to attend, providing me with an opportunity to refresh and update my knowledge. Connecting with fellow pediatric oncologists from around the world allowed me to observe their approaches to patient care and the disease patterns they encounter. The interactions, idea sharing, and networking was truly valuable. Wishing the organizers all the best for the future, and I look forward to attending again in the future.

Dr. Faisal Guru, Associate Professor, Sher-I-Kashmir Institute of Medical Sciences, India

I thoroughly enjoyed every aspect of the conference, from start to finish, and have already shared my positive feedback with colleagues back home who are now eager to attend in the future. A big round of applause to the organizing team for their exceptional handling of accommodation, transportation, and consistent communication. I look forward to returning!"

Dr. Murali Chintagumpala, Fellow in Paediatric Oncology, Charlotte Maxeke Johannesburg Academic Hospital, South Africa

I am very grateful for the opportunity to participate in this conference. Without the support of the committee, I would not have been able to attend. The program was excellent, the content was very informative and clear, and the speakers were cooperative and kind. I hope to receive continued assistance to attend future conferences. I also hope the material from this conference can be shared. Thank you for your kindness."

Dr. Selvi Nafianti, Medical Faculty, Sumatera Utara University / Haji Adam Malik Hospital Medan, Indonesia

Attending the 6th Emirates Pediatric Hematology & Oncology Conference was truly exceptional. The event was meticulously organized, featuring cutting-edge research presentations and interactive workshops. The sessions on precision medicine and holistic patient care were particularly impactful, offering practical insights and new perspectives. Networking opportunities were plentiful, fostering valuable connections with experts and peers. Overall, the conference provided a comprehensive update on advancements in pediatric hematology and oncology, leaving me inspired and better equipped to enhance patient care in my practice.

Dr. Yasamin Abdulwahhab Hasoon, Pediatrician at Nova Medical Center, United Arab Emirates
