Welcome Note

Dear Colleagues,

On behalf of the Scientific and Organizing Committees, it is our great pleasure to invite you to the **8th Emirates Pediatric Hematology & Oncology Conference (EPHOC)**, to be held on **25–26 September 2026** at the **Sofitel Abu Dhabi Corniche, UAE**. This distinguished conference has been thoughtfully curated to address the evolving educational and professional needs of General Pediatricians, Pediatric Subspecialists, Pediatric Trainees, Residents, Fellows, Family Physicians, General Practitioners, Emergency Medicine Physicians, Pediatric Hematologists, and Pediatric Oncologists, with a strong focus on the diagnosis, management, and latest advances in pediatric hematological and oncological conditions.

We are honored to welcome a renowned faculty of national and international experts who will share their clinical expertise, research insights, and innovative practices through a dynamic platform for scientific exchange. The program will feature interactive sessions, case-based discussions, and expert-led presentations designed to empower healthcare professionals with cutting-edge knowledge and practical tools to deliver the highest standards of care to children affected by blood disorders and cancer.

In addition to a comprehensive scientific program, EPHOC 2026 offers exceptional opportunities for networking, collaboration, and professional development, fostering meaningful connections that support future academic and clinical collaborations across the region and beyond.

We warmly invite you to be part of this enriching forum, contribute your expertise, and engage with colleagues in a stimulating learning environment. Your participation will play a vital role in shaping an inspiring and impactful event that advances the field of pediatric hematology and oncology.

We look forward to welcoming you to Abu Dhabi for what promises to be a memorable, rewarding, and educational experience.

"It was a great pleasure to participate in such a prestigious international event, connecting with colleagues from around the world who share the same professional interests. I look forward to the 8th EPHOC with great anticipation."

Dr. Islam Ahmed Ibraheem Almubarak

Pediatric Oncologist
Khartoum Oncology Hospital, Sudan

"This congress goes beyond sharing knowledge—it unites a passionate community dedicated to revolutionizing pediatric healthcare, inspiring real change for children everywhere."

Dr. Sara Saeed Mahmoud Hassanien

Consultant, Armed Forces Hospital Southern Region
Khamis Mushait, Saudi Arabia

"As a first-time attendee of a medical conference in Abu Dhabi, I found the experience truly remarkable. The knowledge shared by the distinguished speakers was highly valuable and directly applicable. It was inspiring to witness the dedication of numerous healthcare professionals striving to develop safe, effective, and accessible treatments for pediatric cancers. I commend all the speakers for generously sharing their research and expertise.."

Dr. Nawal Elsadig Ismail Magzoub - General Practitioner | Khartoum Oncology Hospital, Khartoum, Sudan

"Attending the conference was an exceptional experience as a recent graduate. The depth and relevance of the topics presented greatly enhanced my understanding and sparked a deeper sense of curiosity and passion for my field of study. It was truly inspiring and has further motivated me in my future professional journey."

Ms. Ayesha Khaled Alhosani

Medical Laboratory Science Graduate
Higher Colleges of Technology, Abu Dhabi, UAE

"Attending the conference was an enriching and highly valuable experience. The quality of the sessions, the expertise of the speakers, and the overall organization were truly commendable. I gained significant insights and had the opportunity to engage in meaningful discussions with professionals in the field. I sincerely hope to have the privilege of attending future editions of the conference"

Dr. Luma Jalal Hasan
